PHOTO, VIDEO and WEBSITE CONSENT FORM

Pictures of Unnamed Students: Students may occasionally appear in photographs and videos taken by school staff members, students, or individuals authorized by the MERC officials. The school may use these pictures, without identifying the student, in various publications, including the school yearbook, newsletter, and MERC website (<http://www.haywardchineseschool.org>). No consent or notice is needed or will be given before the school uses pictures of unnamed students taken while they are at school or a school-related activity.

Pictures of Named Students: Many times, the school will want to identify a student in a school picture. MERC officials want to acknowledge those students who participate in a school activity or deserve special recognition. In order for the school to publish a picture with a student identified by name, including school yearbook, one of the student's parents or guardians must sign a consent form. Please complete and sign the form below to allow the school to publish and otherwise use photographs and videos, with your child identified, while he or she is enrolled in Multicultural Education Research Center.

(Please return this form to the MERC administration office)
